

NERAASA 2023 - Virtual Attendance Details

Virtual attendees will be able to watch, listen to, and participate in most parts of NERAASA that take place in the **main meeting room**.

This may include (but is not limited to): Panels, Speakers, Reports, etc.

A more detailed virtual NERAASA schedule will be provided closer to the event.

Please note:

- Roundtable discussions will NOT be available virtually.
- The virtual portion of NERAASA will not be recorded.
- However, events in the main meeting room will be recorded (audio only). Therefore, if a virtual attendee chooses to ask a question during a Q&A, their voice will be captured on the in-person NERAASA recording.

For those who register to attend NERAASA virtually, you will receive the login information via the email address you use to register approximately 3 days before the event.

If you have any further questions, please email info@neraasa.org.

All above information subject to change.
